Dear Ms van de Venter

The Department of Basic Education has supported Maropeng a' Afrika Leisure in seven subjects namely: Geography, History, Life Orientation, Life Sciences, Maths and Physical Sciences.

The role of the DBE subject specialist was to:

1. identify content relevant to the site in relation to each subject; and
2. provide inputs and comments to the final drafts of the Resource Pack developed.

It was a pleasure working in collaboration with Maropeng. We hope that the Resource Pack will benefit both the learners and teachers during their visit to the heritage site. We will support your endeavours whenever possible.

Yours Sincerely

Dr Nduna-Watson
